Dear Sisters and Brothers:

**RE: SUNDAY FOR LIFE**

The Second Sunday of Advent has for many years been designated the *Sunday for Life* here in the Diocese of Saint John. Once again, I urge all of our parish churches to support the annual Second Collection on the weekend of December 7/8, 2019. As usual, your generosity will benefit the various groups who advocate for life. In this way, you will be participating in and contributing to the very important work being done to protect life and save life from conception to natural death.

Human life is sacred! I urge you to work for and be associated with the promotion and defence of life which reflects our faith in Jesus Christ.

Thank you for your vital support and generosity! Blessings on your commitment to life! Blessings on you!

Sincerely,

+ *Robert Harris*
