

Christmas Dinners - even though we will not be distributing Christmas Gift cards this year from the church, we will be accepting donations to help with dinners. All monies received will be passed on to the *Christmas Exchange*, and you will be credited for Income Tax purposes by us. The Exchange will ensure that all monies donated will be used to help feed needy families in our area. We would appreciate receiving donations beginning the weekend of **October 3rd/4th** - we will have to send our cheque to the "Exchange" by the 1st of November as they have to coordinate just how far the money will go.

Introduction to the Prayers of the Faithful

Back in the Spring we looked forward to family Easter dinners of home cooked ham. But Covid-19 managed to hogtie those plans. Now as we approach Thanksgiving we would normally think ahead to family dinners and parish suppers of turkey and all the trimmings! This time Covid-19 seems ready to gobble up those plans too!

But St. Paul reminds us of something that most of us already know. He speaks today of knowing times of abundance and times of humility as well as times of being hungry and times of being well fed. Most of us have heard older relatives or friends say "We were poor but we never knew it!" Somehow, parents provided and we have happy memories of times that were not. And, indeed, many of us have faced circumstances that would have broken some people but God gave us the grace and strength we needed, usually through the people He placed in our lives at the time.

Confidence that God will supply what we need (not necessarily what we want) is the wedding garment that always ensures that we will recognize and enjoy the banquet, regardless of what is on the menu!

Prayers of the Faithful

For Pope Francis as he promotes the message of his new encyclical that calls for economic renewal that values people more than profits. We pray to the Lord.

For Bishop Christian and all of our Diocese that we will pray for each other and encourage each other in rediscovering the grace and joy in meeting Jesus in His Word and in the Sacraments. We pray to the Lord.

For the protection of life and our most vulnerable citizens, as Parliament again debates legislation to expand the use of assisted suicide. We pray to the Lord.

For our home province of New Brunswick, and for our whole country as we give thanks for the bounty of creation and the importance of the life of each of our fellow citizens. We pray to the Lord.

For people still affected by COVID-19 and for the safety of essential workers and our children and families. We pray to the Lord.

For the poor and homeless who will depend on everyone's generosity during the approaching winter. We pray to the Lord.

For those who have died NN..... and for their families and friends, especially those who mourn in isolation. We pray to the Lord.
