This being the First Bulletin of Holy Trinity
Parish we ask your co-operation and assistance;
this may be accomplished in several ways but
especially by taking the Bulletin to your home
and by being prompt in giving any announce-
ments you desire to have published.

Congratulations to our Holy Name Men for their
splendid attendance at last Sunday's Holy
Name Breakfast.

This evening there will be a special Lenten
Sermon by Rev. Father O'Brien C.S.S.R.

Tomorrow (Monday) evening at 7:30 in the
Church Basement Rev. Father Stack will com-
mence his Lenten Course; this course is for
all adults, men and women.

We wish to extend our thanks for the response
received from our request that you "take away
with you a copy of the New Freeman". We
trust that the copies will disappear and that
all will become intelligent readers of our
Catholic Press.

You will receive a copy of the "Church Bul-
letin" each Sunday as you come to Mass; if
you will kindly comply with our request and
take the Bulletin home with you it will be a
great convenience during the week and also
save you calling the Rectory for hours of
services, etc.

Lent is a time of extra prayer and of course
the Holy Mass is the greatest of all prayers.
May we then, young and old, be most faithful
to this duty during the Holy Season, a splen-
did start has been made - "congratulations".
Pray each day for an increase in the Mass at-
tendance during the Holy Season of Lent.
