

FEAST OF THE EPIPHANY

While the hustle and bustle of Christmas ends for many people on December 26, throughout Christian history Christmas lasts for much longer. The feast marking the end of Christmas is called "Epiphany."

In the Latin rite of the Catholic Church, Epiphany celebrates the revelation that Jesus was the Son of God. It focuses primarily on this revelation to the Three Wise Men, but it also focuses on his baptism in the Jordan and at the wedding at Cana.

In the Eastern rites of the Catholic Church, Theophany - as Epiphany is known in the East - commemorates the manifestation of Jesus' divinity at his baptism in the River Jordan.

While the traditional date for the feast is January 6th, the celebration of Epiphany is moved to the Sunday between January 2nd and January 8th. In 2025 it is celebrated on January 5th.
